

Selling a business? We have your buyer's money!

If entrepreneurs merely needed cash to purchase a business, practically any lender would do. But there's significant added value in the advice and experience, the speed and professionalism, and the follow-up and communication that are all hallmarks of Butler Capital's way of funding buy-sell transactions. We are not just "any lender." Please consider...

Benefits of Butler Capital buy-sell financing

- predictable, fixed-rate loan at competitive rate from a direct lender
- loans to \$1 million
- credit decisions from in-house experts, typically within 3 days
- flexible approach to loan terms (even seasonal, skipped, deferred payment options)

Special features enhance buyers' and sellers' comfort

- first-time owners and investors as well as seasoned operators welcome
- responsive team handles each transaction, affording multiple contact points for fast answers and constant updates
- funding to 100% of the business sale price
- loans from a self-funding financial services firm that services and collects its portfolio

Why Butler?

An independent, national business lender since 1978, Butler Capital Corporation has funded entrepreneurs in a variety of business enterprises—from convenience stores, car washes, and drycleaners to quick-serve franchise restaurants, car dealers, and landscaping firms.

Butler Capital is a frequently sought-out alternative to SBA or bank lending. We pride ourselves on being able to “do the deal” no matter how complicated—or unusual—the transaction is.
